More about Careforce Lifekeys

Careforce Lifekeys is designed to meet the needs of hurting people in today's society.

Through a system of small support groups, participants are able to share together in an environment of unconditional love, acceptance and confidentiality – all ingredients necessary for recovery.

The programs have been developed by the Board of Management whose members are qualified in the areas of social work, psychology, teaching and theology.

All have extensive experience in their particular fields.

PROGRAM 2017

*Courage is not the absence of fear
but the strength to do what is
right in the face of it!*

Developing life skills

Supporting parents

Helping kids reach their potential

CHURCHLANDS

What is... **Kids with Courage?**

Kids with Courage is a seven week program that aims to strengthen primary aged children, together with their family, who are struggling at school, home or with peer relationships.

The program includes themes that build on the child's strengths. In a supportive, fun atmosphere they will explore feelings, set goals and find positive ways of making changes.

Kids with Courage will:

- Encourage positive self regard
- Assist children's communication skills
- Teach children to access support
- Use role plays to develop life skills
- Ensure a safe environment
- Provide support for parents and carers
